We the undersigned, **ATEQ**, manufacturer of the **ATEQ F6xx** devices referenced as follow:

F620 ref: 283.00

F610 ref: 362.00

F670 ref: 363.00

declares that it complies with the requirements of:

- LOW VOLTAGE Directive 2014/35/UE.
- EMC Directive 2014/30/CE.

It complies with standards:

- Standard NF EN 61326-1 May 2013: « Electrical equipment for measurement, control and laboratory use - EMC requirements - Part 1: general requirements. »,
- Standard NF EN 62311 October 2008: « Assessment of electronic and electrical equipment related to human exposure restrictions for electromagnetic fields (0 Hz - 300 GHz). »

This enables **ATEQ** to guarantee that this instrument may be used in complete safety under the following environmental conditions:

- indoor use (IP22),
- altitude up to 2000 metres,
- ambient operating temperature from -30°C to +50°C (-22°F to 122°F),
- maximum relative humidity without condensation: 80% (at 30°C / 86°F),
- degree of pollution 2 as in CEI 664 (only non-conductive pollution, however a temporary conductivity caused by condensation may occasionally be expected).

Les Clayes sous bois, 09/21/2017
Chairman and Managing Director
Mr. Jacques MOUCHET
